WILDFIRE HAZARD MITIGATION MEETING John Pavac of the Pine Barrens Commission is hosting a special meeting at the Crohan Center on Flanders Road on Tuesday, August 18 at 7:00 pm. Here is a special program proposed for the Flanders, Riverside, and Northampton areas because of our location in the Pine Barrens area. They will discuss the overgrowth within the Pine Barrens and possible solutions to conditions which challenge our firefighters in emergencies. Channel 22 will tape the meeting for broadcast. You can contact Councilman Brad Bender @ 702-1882, or the Commission @ 288-1079.

FAMILY MOVIE NIGHT - The second movie night hosted by FRNCA

BLOCK PARTY A SUCCESS - Many thanks to Bay View Pines Civic for hosting a block party with an open invitation to Waters Edge residents. There was a DJ and a food truck and tables under a big tent. Thanks for a great afternoon at the Long Neck beach.

ZIP CODE UPDATE - Thanks to everyone who has sent letters to Congressman Lee Zeldin who is working to get us our own zip codes. Thanks Damon Hagan for getting the ball rolling, letter writers Councilmen Brad Bender and Stan Glinka, Councilwomen Christine Scalera and Bridget Fleming, as well as Waters Edge Civic, Bay View Pines Civic, CAC, Riverside Rediscovered, Doris Schneider, FRNCA, Senator LaValle, Assemblyman Thiele, Anne Marie Fisher of Flanders Volunteer Ambulance, and Chris Sheldon who compiled a list of duplicate street names. Thanks especially to Congressman Zeldin for going to bat for us with the Postmaster General.

MEET THE TRUSTEES - Meet the trustee incumbents and candidates on Friday, September 18 at the Waters Edge meeting at the Crohan Senior Center. More information in September's newsletter. The trustees are the guardians of our bays, creeks, and inlets. It should be an interesting meeting.

IT'S A DOG'S LIFE - It's nice to see our neighbors walking their dogs. Most folks are careful to carry a pick-up bag to take the waste away. There are bag dispensers on each of the streets, provided by the town. Use them. Also be sure to keep your pets on leash and contained in your yard. Dogs should not run loose.
